

IET DAVV Indore Complete Admission & Academic Guide 2026–27

Last Updated: July 11, 2026

Foreword

This handbook serves as a definitive, single-source guide for students, parents, and counselors seeking admission to the Institute of Engineering & Technology (IET), Devi Ahilya Vishwavidyalaya (DAVV), Indore for the 2026–27 academic session. All information has been drawn from the latest official sources and announcements.

Section 1: About IET DAVV

1.1 Institute Overview

Feature	Details
Name	Institute of Engineering & Technology (IET), Devi Ahilya Vishwavidyalaya
Established	September 4, 1996
Location	Indore, Madhya Pradesh
Affiliation	Devi Ahilya Vishwavidyalaya, Indore
AICTE Approval	Approved
UGC Recognition	Recognized
Status	Self-financing Institute; Academically Autonomous

1.2 History & Vision

IET DAVV was established in 1996 as a self-financing engineering institute under Devi Ahilya University, Indore. It started its journey with 90 students across three branches: Mechanical Engineering, Computer Engineering, and Electronics & Instrumentation Engineering. The first batch studied in classrooms of the School of Computer Science (SCS) with initial financial support from the International Institute of Professional Studies (IIPS) .

1.3 Academic Structure

IET is an approved institution by AICTE, New Delhi, Government of Madhya Pradesh, and UGC. The institute is academically autonomous with a flexible and modern curriculum in all branches of engineering .

Key Milestones:

- **1996:** Established with 3 BE branches, 90 students intake
- **2002:** Became PG Institute offering ME programmes
- **2006:** MSc programme in Applied Mathematics started
- **2026:** MBA in Technology Management and two new BTech branches introduced

Current Status:

- **Total Intake:** 540 students per year (after AICTE approval of 180 additional seats)
- **Student Strength:** Approximately 2,500 students; expected to reach nearly 3,000 after introduction of new courses
- **Ph.D. Programme:** Offered in all disciplines of BE/ME Programmes

Section 2: Academic Programmes

2.1 Undergraduate Programmes

IET DAVV offers Bachelor of Engineering (BE) programmes of 4-year duration. Admission is based on JEE Main scores through MPDTE counselling .

BE Branches (Academic Year 2026-27)

Branch	Duration	Intake	Admission Basis
Computer Engineering	4 Years	120	JEE Main
Information Technology	4 Years	-	JEE Main
Electronics & Telecommunication Engineering	4 Years	-	JEE Main
Electronics & Instrumentation Engineering	4 Years	-	JEE Main
Mechanical Engineering	4 Years	-	JEE Main
Industrial & Production Engineering (New)	4 Years	60	JEE Main
Electrical & Electronics Engineering (New)	4 Years	60	JEE Main

Source: Career360 for Computer Engineering intake ; Times of India for new branches

Note: With addition of the two new branches, the number of BTech programmes at IET has increased from seven to nine .

2.2 Postgraduate Programmes

ME Programmes

IET became a PG Institute in 2002 and offers ME programmes with six specializations .

ME Computer Science and Engineering:

- **Duration:** 2 Years
- **Intake:** 18 seats
- **Eligibility:** Graduation + GATE
- **Total Fees:** ₹1.48 Lakhs (complete course)

MSc Programme

- **MSc in Applied Mathematics:** Started in 2006
- **Duration:** 2 Years
- **Average Fees:** Approx. ₹63,100

MBA Programme (NEW for 2026-27)

IET is introducing its first-ever MBA programme from the 2026-27 academic session .

- **Programme:** MBA in Technology Management
- **Intake:** 120 seats (may begin with 60 initially)
- **Designed for:** Engineering graduates
- **Admission:** Through CMAT and CUET merit

PhD Programme

Offered in all disciplines of BE/ME Programmes and all relevant areas of interest. Research scholars from organizations such as SGSITS, AICTE, RRCAT, NRCS, IIITA have registered for PhD programmes in various departments of IET .

Section 3: Complete Admission Process

3.1 BE/[B.Tech](#) Admission Process

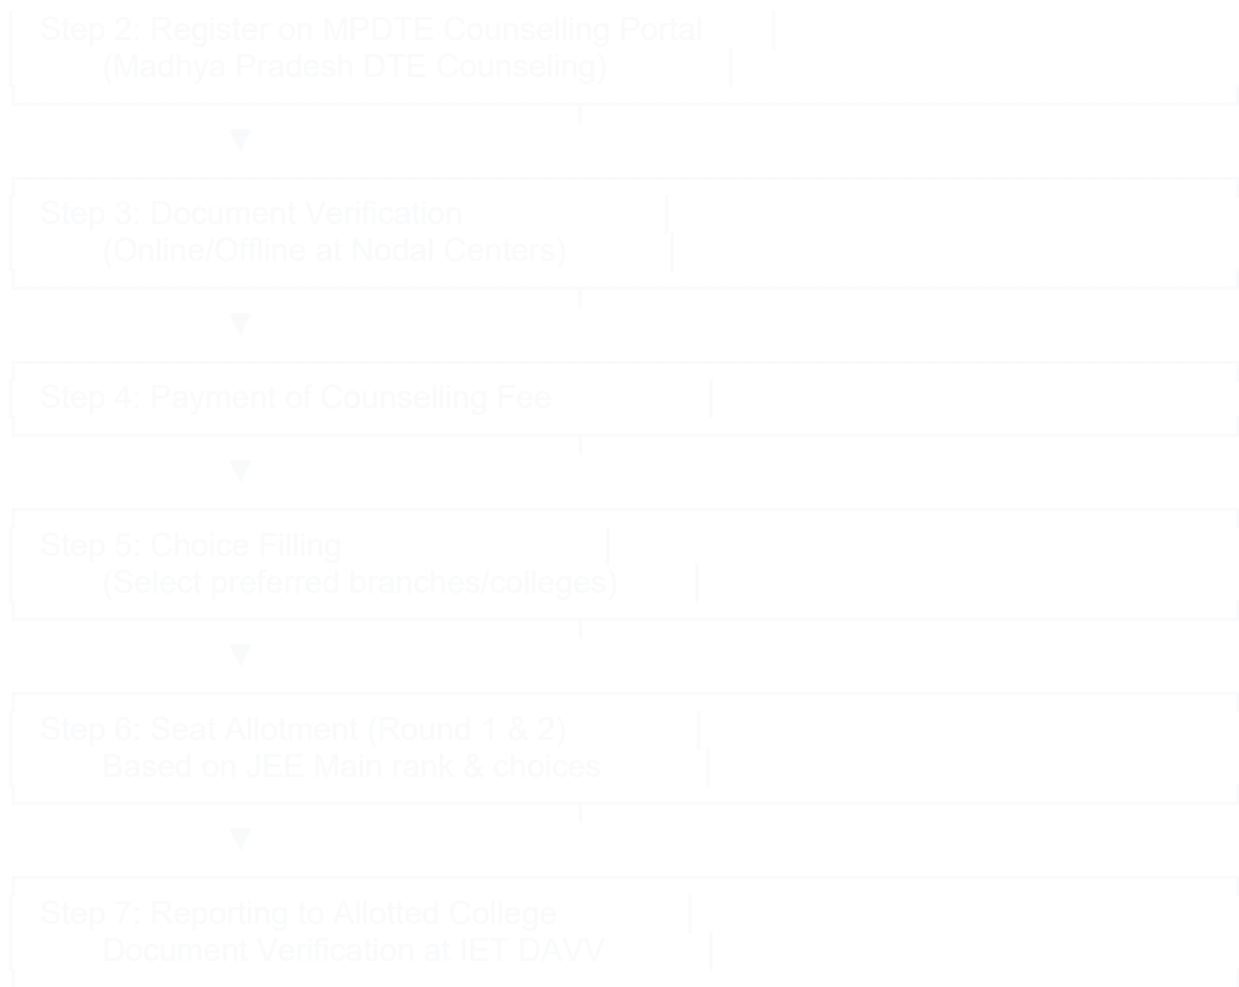

The admission process is strictly in accordance with rules and regulations of the Directorate of Technical Education (DTE), Bhopal .

Admission Flowchart

text

Step 1: Appear for JEE Main Examination
(Obtain a valid score)

Eligibility Criteria for BE

- **Qualifying Exam:** Passed 10+2 examination
- **Entrance Exam:** Appeared in JEE Main examination
- **Reservation:** As per rules of Directorate of Technical Education, Bhopal

Source: Career360 ; MPDTE counselling guidelines

3.2 ME/[M.Tech](#) Admission Process

Eligibility

- Candidate must have a valid GATE score
- Candidates without GATE may apply, but preference is given to GATE-qualified candidates

Selection Process

1. Valid GATE score
2. Application through DTE or institute channels
3. Seat allotment based on merit

3.3 MSc Admission Process

- Based on merit in the qualifying examination

3.4 MBA Admission Process (New Programme)

- Through CMAT and CUET merit
- Designed specifically for engineering graduates

Section 4: Complete Fee Structure

4.1 BE Programme Fees

Annual Fee (as per student reviews):

Approximately ₹92,000 per year, including tuition fee, examination fee, library fees, and other charges .

Detailed Estimate:

- **Total 4-Year BE Fees:** Approximately ₹2.45 Lakhs
- **Annual Breakdown:**
 - Year 1: Approx. ₹82,961
 - Years 2-4: Approx. ₹82,211 each

Fee Component	Approximate Amount (Annual)
Tuition Fee	Included in total
Examination Fee	Included in total
Library Fee	Included in total
Other Charges	Included in total
Total	~₹92,000

Note: Fees are subject to change. Official notification for 2026-27 is awaited. All students have the same fees regardless of category; there is no fee waiver .

4.2 ME Programme Fees

Year	Tuition Fees
Year 1	₹73,833
Year 2	₹73,833
Total	₹1,48 Lakhs

4.3 MSc Programme Fees

- **Average Fees: ₹63,100 (2 Years)**

4.4 MBA Programme Fees

- **Official Information Not Available** (New programme for 2026-27)

Section 5: Hostel Information

5.1 Hostel Overview

IET DAVV has hostel facilities for limited students. The main hostel is:

Hostel Name	Gender	Status
Ramanujan Hostel	Boys	Active

5.2 Hostel Fee

- **Official Information Not Available.**

Student reviews indicate dissatisfaction with hostel conditions, citing:

- Poor infrastructure
- Water scarcity issues
- Facility quality concerns

5.3 Recent Controversy

In May 2026, the Ramanujan Hostel witnessed a major incident where final-year students were involved in:

- Vandalism of hostel property
- Semi-nude dancing during an event
- Property damage including broken chairs, tables, CCTV, and a water tank

Administrative Action:

- Results of involved students withheld
- ₹25,000 per student fines imposed
- Placement offers at risk; companies to be informed

Section 6: Scholarships

6.1 Available Scholarships

Scholarship Name	Description
MP State Scholarships (MPTAAS)	Full tuition fee coverage
Post-Matric Scholarship	For SC/ST/OBC categories
Mukhyamantri Medhavi Yojana	Merit-based state scheme

6.2 Scholarship Application

- **Platform:** MPTAAS (Madhya Pradesh Scholarship Portal)
- **Eligibility:** As per government norms
- **Benefits:** Full tuition fee reimbursement for eligible students

Official Information Not Available for complete scholarship details including category-wise benefits, application deadlines, and renewal rules.

Section 7: Placements

7.1 Placement Statistics

Overall Placement Summary

Metric	Value
Highest Package (2024)	₹27 LPA (by ZS)
Highest Package (2022)	₹39 LPA
Average Package	₹6-7 LPA
Placement Percentage	60-80% (varies by branch)

Branch-wise Placement

Branch	Approx. Placement Rate
CSE/IT	~90%
Overall Institute	~60-80%

7.2 Top Recruiters

Company	Type
Infosys	IT
Cognizant	IT
TCS	IT
ZS Associates	Analytics
Barclays	Banking
Accenture	IT
Mastercard	Fintech
Amazon	E-commerce
GammaStack	IT
Infobeans	IT

7.3 Internships

- Students become eligible from the 4th semester onwards
- Internship opportunities provided through the Centralized Placement Cell

7.4 Sector-wise Hiring Trends

- **IT/Software:** Highest volume of recruitment
- **Analytics/Consulting:** Growing segment
- **Banking/Finance:** Regular recruiters

Section 8: Campus Life

8.1 Facilities

Facility	Status
Academic	"Very poor," "looks like an old school"

Facility	Status
Infrastructure	
Sports Facilities	Not up to mark; students must bring own equipment
Faculty	Highly qualified and knowledgeable
Campus Life	Decent; good social interaction
Labs/Research	Research component is strong

8.2 Student Activities

- **Technical Societies:** IEEE, ISTE chapters
- **Research:** Strong research culture with scholars from various reputed organizations

Section 9: Document Checklist

9.1 For BE/[B.Tech](#) Admission

- | # | Document Required |
|----|--|
| 1 | Print of allotment letter from DTE, Bhopal |
| 2 | Photocopy of JEE Main scorecard |
| 3 | Two recent passport size photographs |
| 4 | Original migration certificate (CBSE students) |
| 5 | Copy of 10th marksheet |
| 6 | Copy of 12th marksheet |
| 7 | Original Transfer Certificate (TC) |
| 8 | Copy of MP Domicile certificate (MP quota) |
| 9 | Category certificate (SC/ST/OBC) |
| 10 | Aadhaar Card copy |
| 11 | DTE document verification slip |
| 12 | Gap certificate (if applicable) |

Section 10: Frequently Asked Questions (FAQs)

General & Institute

- 1. When was IET DAVV established?**
September 4, 1996 .
- 2. Is IET DAVV AICTE approved?**
Yes, it is an approved institution by AICTE, New Delhi .
- 3. Is IET DAVV a government or private college?**
It is a self-financing engineering institute under the government-run Devi Ahilya University, Indore .
- 4. What is the total intake of IET DAVV?**
Currently 540 students per year .

Admissions

- 5. How can I get admission to BE at IET DAVV?**
Through JEE Main score followed by MPDTE counseling .
- 6. Is there any management quota?**
Official Information Not Available. Admissions are through DTE counseling.
- 7. What is the JEE Main cutoff for IET DAVV?**
Official Information Not Available. Depends on counseling rounds.
- 8. What is the admission process for ME?**
Based on GATE scores .
- 9. Can I get admission to ME without GATE?**
Yes, but preference is given to GATE-qualified candidates .
- 10. What new courses are being introduced in 2026-27?**
MBA in Technology Management, BTech Industrial Production Engineering, and BTech Electrical & Electronics Engineering .

Fees & Scholarships

- 11. What is the annual fee for BE?**
Approximately ₹92,000 per year .
- 12. Is there a fee waiver for any category?**
No, all students have the same fees .
- 13. How can I apply for a scholarship?**
Through the MPTAAS portal .
- 14. What does the MP scholarship cover?**
Full tuition fee reimbursement .

Hostel

- 15. Is there a hostel facility at IET DAVV?**
Yes, but for limited students .

16. What is the hostel fee?

Official Information Not Available.

17. Is the hostel facility good?

Student reviews indicate poor infrastructure and water issues .

Placements

18. What is the average placement package?

Approximately ₹6-7 LPA .

19. What was the highest package in 2024?

₹27 LPA by ZS .

20. Which companies visit IET DAVV?

TCS, Infosys, Cognizant, ZS, Barclays, Accenture, Mastercard, Amazon .
