1 · Complete Introduction

1.1 About LNCT Bhopal

Lakshmi Narain College of Technology (LNCT), Bhopal was established in 1994 by Shri Jai Narayan Chouksey under the banner of the H.K. Kalchuri Education Trust, and is recognised as one of the first self-financed engineering institutes in Madhya Pradesh. It is the founding and flagship institution of what has since grown into the large, multi-campus LNCT Group of Colleges (which today also includes separately registered institutions such as LNCT Excellence, LNCT & Science, LNCT MBA, LNCT MCA, LNCT Pharmacy and the independently-run LNCT University). This guide covers **LNCT (the original engineering college), Bhopal** only — figures for the group's other campuses are noted separately where they could be confused with LNCT proper.

Source: LNCT official website, "LNCT College" & "LNCT Group" pages — <https://lnct.ac.in/>, <https://lnct.ac.in/lnct-college/>

1.2 Campus Overview

Attribute	Details
Address	LNCT Campus, Kalchuri Nagar, (P.O. Kolua), Raisen Road, Bhopal – 462022, Madhya Pradesh, India
Campus Area	Approx. 50 acres (per official site). One third-party aggregator (GetMyUni) lists ~35 acres — treat the official 50-acre figure as authoritative.
Campus Type	Fully residential campus with separate Boys' and Girls' hostels, mess, Wi-Fi, central digital library, digital classrooms, central workshop, auditorium, seminar halls, sports grounds, dispensary, bank/ATM
Reception	0755-6185300 / 6185301 / 6185302 / 6185303 / 6185304 / 6185305
Admission Cell	Toll-free 7440777111; 0755-6185350; 0755-6685400
Training & Placement Cell	9826062730; 0755-6185341
Email	info@lnct.ac.in · admission@lnct.ac.in · Verification@lnct.ac.in (document verification)
Official Website	https://lnct.ac.in/ (Group site) · https://new.lnctbhopal.in/ (LNCT Bhopal-specific site)

Source: <https://lnct.ac.in/lnct-college/> and <https://lnct.ac.in/> (footer contact block, fetched 11 July 2026)

1.3 Affiliation & Approval

Body	Status
AICTE (All India Council for Technical Education)	Approved
Affiliating University	Rajiv Gandhi Proudyogiki Vishwavidyalaya (RGPV), Bhopal – the state technical university of Madhya Pradesh
ISO Certification	ISO 9001 certified (as stated on the official "About Us" page)
State Counselling Body	Admissions to the government-quota / DTE seats are routed through the Directorate of Technical Education, Madhya Pradesh (DTE MP) online counselling

Source: <https://lnct.ac.in/about-us/> ; https://lnct.ac.in/wp-content/uploads/2022/04/LNCT_ALL.pdf ("Approval" document, official); DTE MP portal – <https://dte.mponline.gov.in>

1.4 Accreditation — NBA

Officially confirmed (verified on Inct.ac.in): LNCT has received its **5th cycle of NBA (National Board of Accreditation)** accreditation, covering Computer Science & Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Mechanical Engineering, and Civil Engineering programmes.

Source: <https://inct.ac.in/inct-college/> and <https://inct.ac.in/accreditation-status/> (fetched 11 July 2026)

1.5 Accreditation — NAAC Grade

Discrepancy found across sources — please verify directly before relying on this figure. Third-party sources disagree on LNCT Bhopal's current NAAC grade:

- **NAAC 'A' Grade** – reported by Universitykart and by CareerLaksh (April 2026 article)
- **NAAC 'B+' Grade** – reported by Careers360 (May 2026 admissions profile)
- **NAAC 'B' Grade** – reported by Collegedunia and Kollegeapply

LNCT's own official website pages that were accessible for this report did not display an explicit, dated NAAC certificate/grade (the "Accreditation Status" page on Inct.ac.in currently shows only NBA certificates). Because NAAC grades are reviewed periodically and different portals appear to be citing different cycles, **the NAAC grade should be confirmed directly with the college admission office or the official NAAC database (<https://www.naac.gov.in>) before it is relied upon for any decision.**

Sources: universitykart.com; careerlaksh.com/inct-bhopal; careers360.com/colleges/lakshmi-narain-college-of-technology-bhopal; collegedunia.com/college/28668

1.6 Rankings

Ranking Body / List	Result
NIRF (Engineering), as cited by Careers360	Band 201–300, per NIRF 2025 data
THE WEEK Engineering Survey 2026	Per LNCT's own July 2026 press releases, LNCT Group was ranked No. 1 Private Engineering College in Madhya Pradesh and achieved "top national rankings" in the THE WEEK 2026 survey (group-level recognition, not branch-specific)

Note: NIRF ranking bands and media rankings (THE WEEK, India Today, etc.) use different methodologies and are not directly comparable. NIRF publishes an official, government-run ranking annually at <https://www.nirfindia.org> — check this site for the current year's exact rank rather than relying on a cached figure.

Sources: careers360.com/colleges/lakshmi-narain-college-of-technology-bhopal ; <https://inct.ac.in/inct-group-ranked-no-1-private-engineering-college-in-madhya-pradesh-by-the-week-2026/> (3 July 2026)

1.7 Notable Institutional Distinctions (per official site)

- First self-financed institute in Madhya Pradesh (established 1993–94)
- First self-financed institute in MP to establish an Entrepreneur Management Development cell (KLIC) on campus
- First self-financed institute in MP to sign an MoU with Ericsson
- First self-financed institute in MP accredited by Amdocs
- Nodal centre for campus recruitment for the Indian Armed Forces (Army, Navy, Air Force)
- 211+ PhD faculty and 191+ patents filed/published in the last 3 years (per official homepage claims)

Source: <https://inctbhopal.in/> and <https://inct.ac.in/> (homepage claims, unverified independently)

2 · Complete B.Tech Information

2.1 B.Tech Branches, Intake & Duration (Official)

Branch	UG Seats	UG Duration	PG (M.Tech) Seats
Computer Science & Engineering (CSE)	360	4 Years	30
CSE – Artificial Intelligence & Machine Learning	360	4 Years	—
Mechanical Engineering	180	4 Years	—
Electrical & Electronics Engineering (EEE)	60–120*	4 Years	—
Civil Engineering	120	4 Years	—
Electronics & Communication Engineering (ECE)	240 (incl. 60 in the special Advanced Communication Technology / 5G-based stream)	4 Years	—

*The official LNCT college page itself lists "Electrical & Electronics" seats inconsistently in two different places on the same page (60 in one listing, 120 in another). Prospective students should confirm the exact current-year EEE intake with the Admission Cell.

Source: <https://lnct.ac.in/lnct-college/> (Courses Offered | Technical table, fetched 11 July 2026)

The official site also markets popular sub-specialisation names used in current admission cycles (as reflected in JEE/DTE counselling course lists and third-party aggregators), including **Data Science & Artificial Intelligence (AIDS)**, **Artificial Intelligence & Machine Learning (AIML)**, and **Internet of Things (IoT) & Cyber Security including Blockchain**, in addition to the core CS, EC, EX (EEE), ME and CE branches.

Source: [lnctbhopal.in](https://lnct.ac.in/lnct-college/) (search-indexed summary, fetched via web search 11 July 2026)

2.2 Eligibility Criteria – 1st Year B.Tech

Requirement	Detail
Qualifying Exam	10+2 (or equivalent) with Physics + Mathematics + one of (Chemistry / Computer Science / Biology)
Minimum Percentage	50% aggregate (General/OBC) · 45% for SC/ST/OBC (MP) category
Entrance Exam	Valid, qualifying rank in JEE Main
Counselling Route	MP DTE (Directorate of Technical Education) online counselling, based on JEE Main rank/percentile

Source: <https://lnct.ac.in/lnct-college/>

2.3 Direct / Lateral Entry Admission – 2nd Year B.Tech

Route	Eligibility
Diploma Holders (Lateral Entry)	Minimum 50% in a relevant Diploma in Engineering (45% for SC/ST/OBC)

B.Sc Graduates (Lateral Entry)

Minimum 60% marks in B.Sc with Mathematics as a subject

Lateral entry candidates are admitted directly into the 2nd year (3rd semester) of the 4-year B.Tech programme, effectively completing the degree in 3 years, and are also routed through DTE MP counselling under the Lateral Entry category.

Source: <https://lnct.ac.in/lnct-college/>

2.4 MP DTE Counselling Process for B.Tech (Step-by-Step)

Step 1 — Online Registration on the DTE MP counselling portal (dte.mponline.gov.in)

Step 2 — Aadhaar authentication, filling personal/academic details, uploading scanned documents

Step 3 — Choice filling (selecting preferred colleges/branches) and locking of choices

Step 4 — Seat allotment based on the JEE Main-based Common Merit List; option to upgrade in later rounds

Step 5 — Reporting to LNCT with original documents for verification

Step 6 — Document verification by college officials and payment of the first-year B.Tech fee to confirm admission

Source: <https://lnct.ac.in/admission-process/> (official college page reproducing the DTE MP counselling process)

Documents Typically Required During DTE MP Counselling

1. Class 10 & Class 12 mark sheets and pass certificates
2. JEE Main admit card and score card/rank card
3. Domicile certificate (for MP-quota seats)
4. Category certificate (SC/ST/OBC/EWS, if applicable)
5. Character certificate from the last institution attended
6. Migration certificate (if applicable)
7. Transfer certificate (TC)
8. Passport-size photographs

Counselling Fee (indicative): Third-party sources report a DTE MP counselling registration fee of approximately ₹1,530 (non-refundable), payable online or at an MP Online kiosk. This fee is set by DTE MP and revised periodically – always confirm the current amount on the official DTE MP portal, not from this guide.

Source: <https://lnct.ac.in/admission-process/> and third-party DTE MP counselling guides (indicative fee figure), cross-checked 11 July 2026

2.5 Required Documents for B.Tech Admission (College-level Verification)

LNCT publishes a dedicated image/graphic listing required documents for B.Tech admission on its official site (not extractable as text at the time of this research). Based on the standard DTE MP + college verification checklist, candidates should be prepared with:

- 10th & 12th mark sheets and certificates (originals + photocopies)
- JEE Main scorecard / DTE MP allotment letter

- Transfer Certificate (TC) and Migration Certificate
- Character Certificate
- Category/Domicile/Income certificates (as applicable, for reservation or scholarship benefit)
- Aadhaar Card
- Passport-size photographs (multiple copies)
- Medical fitness certificate (as required by hostel/college)

Not independently verifiable: The exact, current official checklist is published only as an image file at <https://inct.ac.in/wp-content/uploads/2021/08/Required-Documents-for-BTech..jpg> — view this graphic directly on the LNCT website for the authoritative, current list before your counselling/reporting date.

3 · Complete M.Tech Information

3.1 M.Tech / M.E. Specialisations, Seats & Duration (Official)

Specialisation	Seats	Duration
VLSI Design	30	2 Years
Thermal Engineering	30	2 Years
Power Electronics	30	2 Years
Computer Science & Engineering	30	2 Years
Construction Technology & Management	30	2 Years

Note: LNCT's own marketing copy also references "Structural Engineering" as an M.Tech specialisation in an older summary, which was not confirmed as a currently-listed programme on the official course table fetched for this report. Confirm current-year M.Tech offerings with the department directly.

Source: <https://lnct.ac.in/lnct-college/> (Courses Offered | Technical table)

3.2 M.Tech Eligibility

Requirement	Detail
Qualifying Degree	B.E./B.Tech (Graduate in Engineering/Technology) of at least 4 years' duration after 10+2, from an AICTE-approved institution, an Indian University, or a foreign university recognised by the Association of Indian Universities (AIU)
Minimum Percentage	50% aggregate (General) · 45% for SC/ST/OBC (MP, excluding creamy layer)
GATE Requirement	Not stated as mandatory in the text of the official college page reviewed; however, third-party admission portals describe the M.Tech admission route at LNCT Bhopal as "Graduation with 60% + GATE," implying a GATE score is commonly used/preferred for merit ranking and for GATE-stipend-linked seats, in line with standard AICTE/DTE MP M.Tech norms. Confirm the current-year GATE requirement directly with the college , since AICTE-approved institutes also typically admit a portion of non-GATE (institute-level) candidates.

Sources: <https://lnct.ac.in/lnct-college/> ; college.in/college/187989 (third-party, GATE-route claim)

3.3 M.Tech Admission Process

Step 1 — Apply through MP DTE PG (M.Tech) counselling using a valid GATE score (or as an institute-quota/sponsored candidate, where applicable)

Step 2 — Document verification and choice filling on the DTE MP portal

Step 3 — Seat allotment based on merit (GATE score / qualifying marks)

Step 4 — Reporting to LNCT, document verification, and fee payment

Source: DTE MP counselling framework, as summarised on <https://lnct.ac.in/admission-process/>

3A · MBA & MCA (LNCT Group, Bhopal Campus)

These programmes are run under separate, group-affiliated colleges (LNCT-MBA and LNCT-MCA) on/adjoining the same Bhopal campus and are commonly bundled with "LNCT Bhopal" admission enquiries, so they are included here for completeness.

3A.1 MBA

Detail	Value
Seats	MBA – 360 · MBA (Financial Management) – 0 (nil intake reported at time of research)
Duration	2 Years
Streams	Marketing, HR, Finance, Retail & Banking
Eligibility	Graduate (minimum 3-year Bachelor's degree after 10+2) with at least 50% aggregate (45% for SC/ST/OBC, MP) from a UGC/AICTE-recognised university
Admission Route	Valid CMAT (or equivalent MBA entrance score) + MP DTE counselling

Source: <https://lnct.ac.in/lnct-college/> ; collegedunia.com/college/28668 (admission-route detail)

3A.2 MCA

Detail	Value
Seats	300
Duration	2 Years
Eligibility	Any Graduate with Mathematics either at 12th standard or in graduation; 50% aggregate (45% for SC/ST/OBC)
Director (as listed officially)	Dr. Sanjay Bajpai

Source: <https://lnct.ac.in/lnct-college/>

4 · Complete Fee Structure

Important disclosure: At the time of this research (July 2026), LNCT's official website (lnct.ac.in) did not host a single, current, publicly downloadable fee-structure PDF that could be directly verified for this report (the "Download Prospectus" booklet link and the fee/online-payment pages are accessible only in-portal or were not text-extractable). Independent education portals report meaningfully different total-fee figures for the same B.Tech programme — almost certainly because they mix data from different admission years, different quota types (DTE-allotted vs. Management/NRI quota), and sometimes confuse LNCT (Bhopal) with the separately-run LNCT University or LNCT & Science campus. **Treat every number below as indicative only, and get the current, category-wise fee structure in writing from the LNCT Admission Cell (7440777111 / admission@lnct.ac.in) before making any payment.**

4.1 B.Tech Fee – Reported Ranges Across Sources

Source	Reported Figure	Notes
Careers360	₹5,76,000 – ₹6,24,000 (total, 4 years)	Branch-specific tuition, general category
Shiksha	₹2,38,800 – ₹5,30,400 (total, 3–4 years)	Aggregates B.E./B.Tech together; wide range suggests mixed quota data
Collegedunia	₹1,34,000/year tuition (CSE) + ₹4,500 uniform + ~₹4,000 misc + ₹16,500/year bus (day scholars); Management quota up to ₹12,00,000 total	Most granular third-party breakdown found; still unofficial
Zollege	₹1,94,000 total (B.E., general); first-year CSE fee cited as ₹48,600	Appears to reflect a subsidised/DTE-quota first-year figure from an older cycle — likely outdated
Kollegeapply	ROI discussion cites "6–8 lakh for 4 years" for CSE/IT (tuition + hostel + mess combined)	Blended estimate, not a fee table

Sources: careers360.com/colleges/.../fees ; shiksha.com/college/.../fees ; collegedunia.com/college/28668/courses-fees ; zollege.in/college/187989/courses-fees ; collegeapply.com (fetched 11 July 2026)

4.2 M.Tech, MBA & MCA Fee – Reported Figures

Programme	Reported Total Fee	Source
M.Tech (all specialisations)	₹1,24,000 total (₹62,000/year)	Zollege, GetMyUni
MBA	₹1,38,000 total for 2 years (₹69,000/year)	Careers360-linked profile; Shiksha (per-year figure)
MCA	₹1,50,000 total (Careers360) vs. ₹65,500/year ≈ ₹1,31,000 total (Shiksha)	Minor variance between sources

Sources: zollege.in ; getmyuni.com ; careers360.com ; shiksha.com (fetched 11 July 2026)

4.3 Typical Fee Components (as described by third-party breakdowns)

Component	Typical Basis
Tuition Fee	Charged per semester/year; the largest component; varies by branch and quota (DTE vs Management/NRI)
Admission/Registration Fee	One-time, paid at the time of confirming admission after document verification

Development Fee	Sometimes bundled into "tuition fee" by LNCT; not separately itemised in any source reviewed
Examination Fee	Charged per semester by the affiliating university (RGPV) in addition to college fees
University (RGPV) Fee	Separate registration/enrolment/exam fee payable to RGPV, not included in the college's own fee receipt
Uniform / Starter-Kit Fee	Approx. ₹4,500 (one-time, per Collegedunia)
Bus/Transport Fee	Approx. ₹16,500–₹16,800/year for day scholars using the college bus (Collegedunia, CollegeBatch reviews)
Security/Caution Deposit	One-time, typically refundable at course completion, subject to no dues
Hostel + Mess Fee	Charged separately – see Section 5

Note: None of these component-level figures could be confirmed against an official, dated LNCT fee-structure document during this research; they are compiled from multiple independent third-party sources (student reviews and aggregator fee pages) for general guidance only.

4.4 Fee Payment & Refund

LNCT accepts online fee payment through a dedicated portal (New Student Registration / Online Fee Payment, linked from the official site) and publishes a "Fee Refund Policy" page and "Terms & Conditions for Online Payment" page. The exact refund slabs (e.g., percentage refundable on withdrawal before/after reporting) were not extractable as text during this research — consult the official Fee Refund Policy page directly: <https://lnct.ac.in/fee-refund-policy/>

Source: <https://lnct.ac.in/online-payment/> ; <https://lnct.ac.in/fee-refund-policy/>

5 · Hostel Information

5.1 Hostel Overview (Official)

Attribute	Detail
Boys' Hostel	One dedicated hostel block, on-campus
Girls' Hostel	One dedicated hostel block, on-campus, separate from the boys' hostel
Allotment Basis	Strictly on merit, during the first year
Room Type / Occupancy	Not specified on the official page (no distinction made between single/double/triple sharing); rooms are furnished with basic furniture (bed, table, chair)
AC / Non-AC	Not mentioned on the official hostel page – standard rooms appear to be non-AC; confirm directly if an AC option is required
Medical Facility	In-campus dispensary; a doctor visits hostels twice a week for check-ups

Source: <https://lnct.ac.in/hostels/> (fetched 11 July 2026)

5.2 Hostel Facilities (Official List)

- Wi-Fi Internet access
- Laundry service
- Gymnasium
- Indoor games
- Football ground, Cricket ground, Basketball court, Badminton court, Volleyball court
- Two open-air theatres
- Canteen, public phone, cold drinking water
- Hot water for bathing (7:00 a.m. – 9:00 a.m. only)
- Recreation halls with TV (viewing hours pre-defined)

Source: <https://lnct.ac.in/hostels/>

5.3 Hostel & Mess Fee

Not publicly disclosed by the official source. The official hostel page does not list any fee figures, and no reliable, LNCT-Bhopal-specific hostel fee could be independently verified during this research. (Note: a figure of ₹75,000/year that appears on some portals is for the separately-run *LNCT University*, not LNCT Bhopal – do not use that figure for LNCT.) Contact the Hostel Warden's office or the Admission Cell directly for the current hostel and mess fee, and get it in writing before budgeting.

5.4 Mess Rules (Official)

- Every hosteller is expected to join the attached mess
- Only pure vegetarian food is served
- Outside food is not permitted inside hostel rooms
- Mess remains closed every Sunday evening

5.5 General Hostel Rules (Official, summarised)

Rule Category	Key Points
---------------	------------

Room & Furniture	No room change/swap without Warden's permission; furniture may not be rearranged; damage is fined
Personal Items	Students must bring their own bedding (bedsheet, blanket, etc.)
Electrical Appliances	Heaters, irons, radios, tape recorders, etc. are prohibited; confiscated if found, and a fine is levied
Discipline	No loud noise; no ragging (strict action at hostel & college level); no smoking, tobacco, alcohol (violation → immediate hostel rustication, fee forfeited)
Attendance / Curfew	Must be back in the hostel by 10:00 p.m. daily; leaving Bhopal city requires prior Warden permission with a written application
Visitors	Allowed only between 4:30 p.m. and 6:30 p.m.; guests/parents/friends are not permitted to stay overnight in the hostel
Vacating	Rooms must be vacated the day after final examinations conclude

Source: <https://inct.ac.in/hostels/> (General Rules, Attendance Rules, Mess Rules, Guests & Visitors sections)

6 · Scholarship Details

6.1 AICTE-Administered Scholarships (Official, confirmed on Inct.ac.in)

Scheme	Target Group	How to Apply
AICTE Pragati Scholarship Scheme	Girl students in AICTE-approved technical courses	Via the AICTE/National Scholarship Portal – https://fellowship.aicte.gov.in/ (link maintained on Inct.ac.in)
AICTE Saksham Scholarship Scheme	Differently-abled (specified disability) students in AICTE-approved technical courses	Via the AICTE/National Scholarship Portal

Source: <https://inct.ac.in/aicte-pragati/> ; <https://inct.ac.in/> (homepage link "AICTE Scholarship" → fellowship.aicte.gov.in)

6.2 Madhya Pradesh Government Scholarships (Applicable, General Scheme Info)

Scheme	Who It's For	Notes
Mukhyamantri Medhavi Vidyarthi Yojana (MMVY)	Meritorious MP-domicile students (board merit / income criteria as per state notification)	Applied via the MP Higher/Technical Education scholarship portal; amount and eligibility revised periodically by the state government
MP Post-Matric Scholarship (SC/ST/OBC)	Students from SC/ST/OBC categories domiciled in MP	Applied via the MP Scholarship Portal (scholarshipportal.mp.nic.in) or National Scholarship Portal

Not independently confirmed on Inct.ac.in: The MP state scholarship schemes above are general Government of Madhya Pradesh schemes applicable to eligible students at AICTE-approved MP colleges (including LNCT); no LNCT-specific page listing exact current amounts/eligibility could be located during this research. Verify current-year details on the official MP Scholarship Portal.

6.3 Tuition Fee Waiver (TFW) Scheme

TFW is a national AICTE scheme, applicable at AICTE-approved institutes including LNCT, that reserves an additional 5% supernumerary seats in each branch for economically weaker students meeting the eligibility criteria (typically family annual income below a government-notified threshold, and limited to one student per family). Under TFW, the tuition fee portion of the course fee is waived/reimbursed as per AICTE and state DTE norms, subject to the student maintaining minimum academic performance.

Not independently confirmed for the current year on Inct.ac.in – TFW income thresholds and reimbursement amounts are revised periodically by AICTE/DTE MP; confirm current criteria via the DTE MP counselling brochure at the time of admission.

6.4 EWS (Economically Weaker Section) Benefits

As per Government of India / Government of Madhya Pradesh policy, 10% horizontal EWS reservation applies to general-category seats in government-quota engineering admissions (including DTE MP counselling seats at AICTE-approved private colleges like LNCT), for candidates holding a valid EWS certificate. Exact seat-matrix application should be confirmed via the DTE MP counselling brochure for the relevant admission year.

6.5 Minority Scholarships

Students belonging to notified minority communities (Muslim, Christian, Sikh, Buddhist, Jain, Parsi) may be eligible for Central Sector/State minority scholarship schemes (pre-matric, post-matric, or merit-cum-means), applied for centrally

through the National Scholarship Portal (<https://scholarships.gov.in>), independent of the specific college attended, subject to the scheme's income and merit criteria.

No LNCT-specific minority scholarship page was found during this research; this section reflects general Government of India scheme availability, not an LNCT institutional scheme.

6.6 Merit / Institutional Scholarships

LNCT's own promotional material references merit-based fee concessions for top-performing students (e.g., high JEE Main rank holders, board exam toppers), but no official, dated, LNCT-specific merit-scholarship table (amounts, exact CGPA/percentage cut-offs, renewal conditions) was found on lnct.ac.in during this research.

Recommendation: Ask the Admission Cell in writing for the current-year merit scholarship/fee-concession slab at the time of counselling – do not assume a specific percentage without written confirmation.

6.7 Scholarship Eligibility Summary

Category	Typical Basis	Renewal Condition (general AICTE/DTE norm)
Merit-based	High board/JEE percentile or CGPA	Minimum CGPA maintenance each year (commonly 7.0+ under similar AICTE-linked schemes)
Need-based (TFW/EWS)	Family income below notified threshold	Annual income re-verification; minimum pass/attendance requirement
Category-based (SC/ST/OBC/Minority)	Valid category certificate + MP domicile (for state schemes)	Annual renewal via National/State Scholarship Portal
AICTE Pragati / Saksham	Gender (girls) / disability status, per scheme	Annual reapplication on the AICTE portal

Most scholarship/fee-waiver schemes are non-combinable – a student can typically avail only one major scholarship at a time. Confirm combinability rules with the scholarship-issuing body.

7 · Placement Information

Wide variance across sources. Placement figures for "LNCT Bhopal" are reported very differently by different portals – partly because some cite LNCT Group's combined, multi-campus totals (LNCT + LNCT Excellence + LNCT & Science + LNCT MBA/MCA together), partly because different years/reports are cited, and partly because unofficial/anecdotal student-review figures get mixed with NIRF-sourced data. The NIRF-report-based figures (via Careers360) are treated as the most reliable single source below because NIRF data is self-reported by the institute to a Government of India body annually.

7.1 Placement Statistics (NIRF 2026 report data, via Careers360 – most reliable available)

Metric	Figure
B.Tech students placed (2024–25)	756 out of 1,193 eligible students
M.Tech students placed	81
MBA students placed	250
B.Tech median package	₹5.50 LPA
M.Tech median package	₹4.55 LPA (per one secondary citation) / ₹4.2 lakh (per another) – minor variance between sources
MBA median package	₹3.50 LPA
Highest package (2025)	₹23 LPA, offered by Zscaler

Source: careers360.com/colleges/lakshmi-narain-college-of-technology-bhopal/placement (citing NIRF 2026 report data), fetched 11 July 2026

7.2 Other Reported Figures (Unverified / From Different Reports)

Claim	Figure	Source
Highest package, LNCT Group-wide, 2025	₹45 LPA (Intuit) to 2 students	CollegeDekho, citing an "official PDF" report, appears to cover the wider LNCT Group, not LNCT Bhopal alone
Total offers, LNCT Group-wide, 2025	3,390 offers from 50+ companies	CollegeDekho
Highest package, homepage historical claim (2023)	₹1 Crore	lnct.ac.in homepage banner ("Highest Package 2023 ₹1 Cr.") – no branch/student detail given
Highest package (2024, per one aggregator)	₹30 LPA	Zollege
Highest / average package (per one profile page)	₹12 LPA / ₹5.5 LPA	Kollegeapply

Recommendation: For a decision-relevant, verified number, request LNCT's current official Placement Brochure (a PDF link exists at <https://lnct.ac.in/wp-content/uploads/2023/08/Updated-Placement-Brochure-2022-2023.pdf> as an older edition) or ask the Training & Placement Cell (9826062730) directly for the latest official report.

7.3 Top Recruiters (Consistently Cited Across Multiple Sources)

TCS · Infosys · Wipro · Cognizant · Capgemini · Accenture · Tech Mahindra · HCL Technologies · Amazon · Microsoft · IBM · L&T Infotech · Mphasis · Amdocs · Syntel · Polaris · Global Logic · Mu Sigma · Aricent · Deutsche Bank · Cisco · Persistent Systems · Sapient

Sources: careers360.com, shiksha.com, collegedekho.com, collegedunia.com (cross-referenced, fetched 11 July 2026)

7.4 Placement Process (General Description, Official + Third-Party)

Pre-placement talks by visiting companies (job role, expectations, eligibility criteria)

Resume submission and shortlisting by the Training & Placement Cell

Aptitude test / coding test / group discussion (company-dependent)

Technical and HR interview rounds (on-campus or off-campus, company-dependent)

Offer letter issuance

Students typically become eligible for placement drives from the 5th–6th semester onward, with main/final-year company drives concentrated in the 7th and 8th semesters. The college also runs mock interviews, aptitude training, and industry interaction sessions through its Career Development Cell.

8 · Important Admission Dates

Exact 2026–27 counselling dates were not published in a form that could be verified as final at the time of this research (the DTE MP counselling calendar is notified fresh each year, usually a few weeks after JEE Main results). The pattern below reflects the typical annual cycle, based on official LNCT admission-process pages and DTE MP counselling structure. **Always check the live schedule at <https://dte.mponline.gov.in> and <https://lnct.ac.in/admission-process/> closer to the admission season.**

8.1 Typical Annual Admission Cycle (B.Tech, DTE MP Route)

Stage	Typical Timing (pattern, not confirmed for 2026–27)
JEE Main Session 2 results	Late April
DTE MP Counselling registration opens	Late May – June
Document verification & choice filling	June – July
Seat allotment (Round 1, 2, and upgradation rounds)	July – August
Reporting to allotted institute & fee payment	Within a few days of each allotment round
Academic session (classes) commencement	Typically late July / August

Source: <https://lnct.ac.in/admission-process/> (general DTE MP process description); DTE MP portal cycle pattern, cross-referenced with prior-year notification PDFs linked from lnct.ac.in

8.2 Where to Find the Official, Current-Year Schedule

- B.Tech Counselling Notification/Schedule (official PDF, updated each cycle): linked from <https://lnct.ac.in/admission-process/>
- DTE MP Online Counselling homepage: <https://dte.mponline.gov.in/portal/services/onlinecounselling/counshomepage/home.aspx>
- LNCT Academic Calendar: <https://lnct.ac.in/academic-calendar/>

9 · Required Documents – Complete Checklist

9.1 B.Tech Admission (1st Year, via DTE MP Counselling)

#	Document
1	Class 10 mark sheet & pass certificate
2	Class 12 (HSC) mark sheet & pass certificate
3	JEE Main admit card
4	JEE Main scorecard / rank card
5	DTE MP seat allotment letter
6	Domicile certificate (for MP-quota consideration)
7	Category certificate (SC/ST/OBC/EWS, where applicable)
8	Character certificate (from the last school/institution)
9	Migration certificate (if applicable, e.g., non-MP board)
10	Transfer Certificate (TC)
11	Passport-size photographs (multiple copies)
12	Aadhaar Card
13	Income certificate (if applying for TFW/EWS/need-based scholarships)

Source: <https://lnct.ac.in/admission-process/> (DTE MP document checklist as reproduced on the official page)

9.2 M.Tech Admission

#	Document
1	B.E./B.Tech all-semester mark sheets and final degree certificate/provisional certificate
2	GATE scorecard (where applicable/available)
3	Category/Domicile certificate (as applicable)
4	Transfer Certificate & Migration Certificate
5	Character certificate
6	Passport-size photographs
7	Aadhaar Card

This M.Tech checklist is compiled from standard AICTE/DTE MP PG-admission practice, since no LNCT-specific M.Tech document-checklist page could be located during this research. Confirm the exact list with the concerned department.

9.3 Hostel Admission

#	Document
1	Copy of B.Tech/M.Tech/MBA/MCA admission confirmation / fee receipt

2	Passport-size photographs
3	Local guardian / parent details form (parents/local guardians must be introduced to the Warden at first admission, per hostel rules)
4	Medical fitness certificate (recommended; specific requirement not detailed on the official hostel page)
5	Identity proof (Aadhaar Card)

No dedicated, itemised "documents for hostel admission" list was found on Inct.ac.in; this checklist is inferred from the hostel rules (e.g., the requirement to introduce parents/guardians to the Warden) and standard practice at similar residential engineering colleges. Confirm with the Hostel Warden's office directly.

10 · Frequently Asked Questions

The FAQs below are grouped by topic. Where the answer depends on the current admission cycle (fees, dates, seats), this is flagged and readers are pointed to the correct official source rather than given a fixed number that may go stale.

FEES

Q1. What is the total B.Tech fee at LNCT Bhopal?

There is no single confirmed figure. Third-party sources range from roughly ₹2.4 lakh to ₹6.24 lakh for the full 4-year course, depending on branch and quota. See Section 4.1 for the full comparison table, and confirm the exact figure with the Admission Cell.

Q2. Does the B.Tech fee differ by branch?

Yes. CSE and its specialisations (AI/ML, Data Science, Cyber Security) are generally reported as costing more per year than core branches like Mechanical or Civil, per multiple student reviews.

Q3. Is the fee different for Management-quota / NRI seats?

Yes. Management-quota seats can cost significantly more (reported up to ₹12 lakh total by one source) compared to DTE-counselling (government-quota) seats.

Q4. Are there any hidden or additional charges beyond tuition?

Yes – commonly reported extras include a uniform/starter-kit fee (~₹4,500), bus fee for day scholars (~₹16,500–16,800/year), RGPV examination/registration fees, hostel and mess charges (paid separately), and a refundable security/caution deposit.

Q5. Does LNCT increase fees every year?

Some aggregator FAQs suggest the base tuition fee is usually fixed at admission for the batch, but incidental costs (exam fees, hostel, transport) can rise gradually each year. This was not confirmed on an official LNCT page.

Q6. How do I pay the LNCT fee?

Online, via the "New Student Registration / Online Fee Payment" portal linked from lnct.ac.in, subject to the Terms & Conditions listed on the official Online Payment page.

Q7. Is the admission/registration fee refundable if I don't join?

LNCT publishes a dedicated Fee Refund Policy page (<https://lnct.ac.in/fee-refund-policy/>); consult it directly, as refund slabs typically depend on the withdrawal date relative to the reporting/session start date and on AICTE/DTE MP refund guidelines.

Q8. What is the M.Tech fee?

Reported at approximately ₹1.24 lakh total (₹62,000/year) by third-party sources – not independently confirmed on an official fee document.

HOSTEL

Q9. Is hostel accommodation compulsory?

Not stated as compulsory, but the campus is designed as a residential one with dedicated Boys' and Girls' hostels; day-scholar (bus) options also exist.

Q10. How is a hostel seat allotted?

Strictly on merit basis during the first year, per the official hostel page.

Q11. What is the hostel fee?

Not publicly disclosed by LNCT. Do not rely on figures quoted for the separately-run LNCT University (~₹75,000/year) – that is a different institution. Get the current LNCT (Bhopal) hostel and mess fee in writing from the Hostel Warden's office.

Q12. Are AC rooms available in the hostel?

Not mentioned on the official hostel page; assume standard non-AC unless confirmed otherwise by the Warden's office.

Q13. Is laundry available in the hostel?

Yes, laundry is listed as an official hostel facility.

Q14. What is the hostel curfew timing?

Students must be back in their rooms by 10:00 p.m. daily, per the official attendance rules.

Q15. Can I leave Bhopal city during the semester without permission?

No – prior written permission from the Warden, with reasons stated, is required before leaving Bhopal city.

Q16. Is non-vegetarian food available in the hostel mess?

No – the official mess rules state that only pure vegetarian food is served.

Q17. Can visitors/parents stay overnight in the hostel?

No. Visitors are permitted only between 4:30 p.m. and 6:30 p.m.; overnight stays for guests/parents/friends are not allowed.

Q18. Is Wi-Fi available in the hostel?

Yes, Wi-Fi internet access is listed as an official hostel facility.

ELIGIBILITY

Q19. What is the minimum percentage required for B.Tech admission?

50% aggregate in 10+2 with Physics, Maths and one of Chemistry/Computer Science/Biology (45% for SC/ST/OBC), plus a qualifying JEE Main rank.

Q20. Is JEE Main compulsory for 1st-year B.Tech admission?

Yes, per the official eligibility criteria – a qualifying JEE Main rank is required for 1st-year admission via DTE MP counselling.

Q21. Can Diploma holders get direct admission?

Yes, via Lateral Entry into the 2nd year, with a minimum of 50% marks in a relevant Diploma in Engineering (45% for SC/ST/OBC).

Q22. Can a B.Sc graduate get lateral entry into B.Tech?

Yes, with a minimum of 60% marks in B.Sc with Mathematics as a subject.

Q23. What is the eligibility for M.Tech admission?

A B.E./B.Tech degree (minimum 4 years after 10+2) with at least 50% aggregate (45% for SC/ST/OBC, MP), from an AICTE-approved institute or recognised university.

Q24. Is GATE mandatory for M.Tech admission?

Not explicitly stated as mandatory on the official page reviewed, but third-party sources describe the route as "Graduation with 60% + GATE." Confirm current-year GATE requirements with the department, since institutes often also admit some non-GATE/sponsored candidates as per AICTE norms.

Q25. What is the MBA eligibility?

A Bachelor's degree (minimum 3 years after 10+2) with at least 50% aggregate (45% for SC/ST/OBC, MP) from a UGC/AICTE-recognised university, plus a valid MBA entrance score (e.g., CMAT) and MP DTE counselling.

Q26. What is the MCA eligibility?

Any Graduate with Mathematics either at 12th standard or in graduation, with 50% aggregate (45% for SC/ST/OBC).

SCHOLARSHIPS

Q27. What scholarships does LNCT itself confirm on its website?

The AICTE Pragati Scholarship (for girl students) and the AICTE Saksham Scholarship (for differently-abled students), both administered via the AICTE/National Scholarship Portal.

Q28. Can MP-domicile students get state government scholarships?

Generally yes, through schemes like the Mukhyamantri Medhavi Vidyarthi Yojana (MMVY) and MP Post-Matric Scholarships for SC/ST/OBC students – these are Government of MP schemes, not LNCT-specific, and should be verified on the MP Scholarship Portal.

Q29. Is the Tuition Fee Waiver (TFW) scheme available at LNCT?

TFW is a national AICTE scheme available at AICTE-approved colleges generally (5% supernumerary seats for economically weaker students); its specific application at LNCT was not independently confirmed on an official LNCT page during this research – verify via the DTE MP counselling brochure.

Q30. Are minority scholarships available?

Central Government minority scholarships (via scholarships.gov.in) are available to eligible students regardless of college, subject to scheme criteria; no LNCT-specific minority scheme page was found.

Q31. Can I combine two scholarships?

Generally no – most government scholarship schemes are non-combinable, meaning a student can usually avail only one major scholarship at a time. Confirm with the specific scheme's rules.

PLACEMENTS

Q32. What was the highest package at LNCT Bhopal?

Reports vary from ₹12 LPA to ₹45 LPA to a historical ₹1 Crore figure, depending on the source, year, and whether LNCT Group-wide or LNCT-Bhopal-specific data is being cited. The NIRF-2026-based figure (via [Careers360](https://careers360.com)) is ₹23 LPA for 2025 (Zscaler). See Section 7 for full detail.

Q33. What is the average/median package?

The NIRF-2026-based median package for B.Tech is ₹5.50 LPA. Other sources cite averages between ₹5.2 LPA and ₹7.0 LPA depending on the year and branch mix.

Q34. Which companies visit LNCT Bhopal for placements?

TCS, Infosys, Wipro, Cognizant, Capgemini, Accenture, Tech Mahindra, HCL, Amazon, Microsoft, IBM, L&T Infotech, Mphasis, Amdocs, and others – see the consolidated list in Section 7.3.

Q35. From which semester do placements start?

Per third-party student-review summaries, some mass recruiters and internship drives begin around the 5th–6th semester, with main company placements from the 7th semester (final year) onward.

Q36. Does branch affect placement chances?

Yes, per multiple sources – CSE, IT, and CSE specialisations (AI/ML, Cyber Security, Data Science) reportedly attract the most recruiters and the highest packages compared to core branches.

DOCUMENTS & COUNSELLING

Q37. What documents are needed for DTE MP counselling?

10th & 12th mark sheets, JEE Main admit card & scorecard, domicile certificate, category certificate, character certificate, migration certificate, transfer certificate, and passport photographs. See the full checklist in Section 9.1.

Q38. How do I register for DTE MP counselling?

Visit <https://dte.mponline.gov.in>, click "Go for Counseling," select the relevant course, and complete registration with Aadhaar authentication, personal/academic details, and document uploads. Full step-by-step process is in Section 2.4.

Q39. What is the DTE MP counselling registration fee?

Reported as approximately ₹1,530 (non-refundable) by third-party guides – this is set by DTE MP and revised periodically, so confirm the current amount on the official DTE MP portal.

Q40. Can I upgrade my allotted seat/branch after the first round?

Yes – DTE MP counselling allows seat upgradation by re-submitting the choice form; students typically get more than one opportunity to improve their allotment in subsequent rounds.

BRANCHES & ADMISSION PROCESS

Q41. Which B.Tech branches does LNCT Bhopal offer?

CSE, CSE (AI & ML), Mechanical Engineering, Electrical & Electronics Engineering, Civil Engineering, and Electronics & Communication Engineering (including a special Advanced Communication Technology/5G stream) are confirmed on the official course table. Popular specialisation names like AIDS, Cyber Security/IoT, and Blockchain are referenced in the college's marketing material. See Section 2.1.

Q42. What is the overall admission process, step by step?

Register on the DTE MP portal → verify documents → fill and lock choices (with part tuition-fee payment) → receive seat allotment → report to LNCT with original documents. See the full flow diagram in Section 2.4.

Q43. Does LNCT offer any programmes outside DTE MP counselling (management/NRI quota)?

Third-party sources reference a Management-quota admission route with a separately (and higher) priced fee structure; the exact process and eligibility for this route were not detailed on an official LNCT page located during this research – contact the Admission Cell directly.

Q44. Is LNCT Bhopal the same as LNCT University Bhopal?

No. LNCT (the subject of this guide) is the original 1994-established engineering college on Raisen Road, part of the LNCT Group. LNCT University Bhopal (est. 2015, NAAC 'B' per one source) is a separately registered, private state university under the same parent trust, with its own campus, fee structure, and admission process (LNCT-CET). Do not mix their fee, hostel or NAAC figures.

11 · References & Source URLs
